Words we chose with care

INSTEAD OF	WE NOW SAY	WHY
Be honest for a moment	Take a breath.	It implied visitors weren't honest
Leave whole	Carry it home	Whole implied guests arrive broken
Owner	Founder	It honors what Maggie created
Come home to yourself	Explore who you are Becoming.	Home isn't a safe place for everyone
Somatic therapy	Somatic practices	Maggie is a coach, not a licensed therapist
Grounded in science	Grounded in research.	Credible, warm and honest
Childhood trauma	Beliefs formed all along the way	Gentler, and the work reaches beyond childhood
